

COMPUTER BASICS

For Job Seekers

Students will learn basic computer skills needed for work, school and life. Each student will also receive a workbook and a portable flash drive to transport files. Classroom time is 12 hours total.

Computer Basics Class topics include:

- Creating, editing, naming, saving and moving files
- Keyboard, mouse and trackpad usage
- Navigating the internet
- Tech terms translated
- The Cloud
- Safety

Sessions are ***in-person*** and meet at Geshher Human Services Tuesdays and Thursdays, September 12 - 28, 2023, from 1 - 3 p.m.

Six 2-hour sessions.

Fee: FREE to all unemployed job seekers (normally \$199).

Registration is required!

Contact Dave Rotter to sign up: drotter@geshermi.org or 248.233.4243.
